Summer art at the Bothwell is sure to be your child's summer highlight! These crazy creative art lessons are taught by professional artists at the Bothwell Arts Center. Each week has a different theme that involves many different media: watercolor, acrylic, collage, mixed media, clay, chalk, pencil. The older group will also use oils and spray paints, while the younger group work on craft projects. Multiple fun projects will be created: canvas, paper, sculptures, fabrics, murals, and more! Every Friday guests will be welcomed to an exhibit of completed works. Summer time fun for serious students as well as budding artists.

Supplies and snacks are provided.
